

U. S. DEPARTMENT OF LABOR
OFFICE OF THE SECRETARY
WASHINGTON

ER-6-14-1
EX-101

October 15, 1954

The Honorable Allen W. Dulles
Director of Central Intelligence
Central Intelligence Agency
Washington 25, D. C.

Dear Mr. Dulles:

Enclosed is a copy of Public Law 767 which provides unemployment compensation for Federal civilian employees beginning January 1, 1955, about which I wrote you on September 13, 1954. Also enclosed is a 4-page leaflet in advance copy form entitled "Federal Civilian Employees—Your Unemployment Compensation after December 31, 1954." This leaflet summarizes the more important provisions of the plan for the payment of unemployment benefits and, when distributed in the next few weeks, will acquaint Federal employees with their rights and obligations under the new law.

Regulations and procedures for the participation of Federal agencies in this program have been drafted and are now being reviewed within this Department and by representatives of several of the larger Federal agencies. It would be desirable to discuss the effect of this material on personnel and fiscal operations, with representatives of all Federal agencies well in advance of the time benefits become payable.

Therefore, I should appreciate your designating a representative or representatives of your agency to attend a meeting which will be held at 9:30 A.M. on November 1 in the Auditorium of the new General Accounting Office Building. Please inform us of the person or persons you designate to represent your agency.

Sincerely yours,

Secretary of Labor
